MEMORANDUM FOR: Ambassador George Bush

SUBJECT: Proposed Schedule for Agency/Intelligence Community Briefings - Wednesday, 14 January through Friday, 23 January 1976

The attached schedule is suggested for your continuing CIA and Intelligence Community briefings during the above period.

Also, please note that:

- The attached memorandum from General Wilson explaining the series of briefings designed to prepare you for the Congressional hearings on the FY 1977 Intelligence Community budget. These hearings probably will be held in early February.
- During the week of 20 January, we will propose a briefing schedule for the weeks of 26 January and 2 February. These future briefings also will include your individual meetings with USIB members and USIB Committee Chairmen. (A memo from General Wilson describing the USIB Committees is attached.)

We would appreciate your approval and amendments, if any, to the attached as soon as convenient.

Executive Assistant to the DCI
